HP Spectre x360 Convertible 13-ap0005nn

Revolutionary battery life on a convertible PC – see where it takes you

Time is now on your side. With this revolutionary battery life in a quad-core convertible, you have more of it. Power through your longest days and nights on a dazzling up to 4K[1] touchscreen. And, go further with the thin, light, and portable Spectre convertible - featuring a gem-cut, all-aluminum designed to elegantly take you wherever your passions lead you.

22.30-hours battery life
With up to 22.30 hours of battery life[2] in a quad-core convertible you get more time to do more of what you love. Stay at peak performance longer and re-energize quickly with HP Fast Charge.

The power to take you farther
Elevate your every day with the most stunning Spectre yet—featuring an 8th generation Intel® Core™ i7 processor for top-of-the-line efficiency and speed. Heighten your Spectre's performance to a new level by managing thermal settings and choosing from cool, quiet, or performance modes depending on needs.

Securely shape your world
Effortlessly move through your world with enhanced security features designed to safeguard your privacy. From an integrated IR camera, fingerprint reader, and privacy camera kill switch for secure interactions with your PC to the optional HP Sure View privacy screen; you can work confidently knowing your information is secure and private.

[1] 4K content required to view full 4K images. Available on selected models only.
[2] Up to 20 hours requires laptop configured with Intel® Core™ i5-8565U or i7-8265U processors with 8 GB RAM, 256 GB SSD, low power FHD display, Windows 10 Home RS4. Windows 10/ MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

HP Spectre x360 Convertible 13-ap0005nn

Featuring

HP Command Center
This simple utility puts you in control, allowing you to optimize and customize performance, fan speed and noise, and external temperature—all to meet your needs.

Refined, gem–cut design
Precision-crafted metal design using CNC machining creates a stunning gem-cut look. The crisp, angular design is beautiful and functionally packaged in its tightest dimensions.

HP Privacy Camera switch
Ensure your privacy and security with a physical switch that turns off your PC's camera when not in use. No more unsightly tape to cover your camera lens.

Corning® Gorilla® Glass NBT™
Scratch-resistant Corning® Gorilla® Glass NBT™ stands up to all the daily abuse a touch screen takes. Help reduce accidental damage with strong, more durable protection than most displays.

Micro Edge display
By squeezing a larger screen into a smaller frame, this ultra-thin, barely visible bezel revolutionizes your display's appearance with a beautifully efficient design.

Connected Stand-by
Stay up to date on your email, calendar notifications, and more—even when you're not using your PC. Your PC stays connected for instant updates.

HP Fast Charge
When your laptop is low on power, no one has time to wait hours to recharge. Power down your device and go from 0 to 50% charge in approximately 30 minutes.

All metal chassis
See and feel a heightened sense of craftsmanship with an all-metal angular design, polished accents, and high-quality materials built to last.

Machined aluminum design
With a seamless design carefully chiseled by CNC machines, this precision-crafted unibody device was engineered with artful, refined durability.
