

HP 27wm LED Backlit Monitor

Bold picture. Big sound. Great value.

With crisp FHD¹ resolution and crystal-clear audio, this affordable 68.6 cm (27") diagonal display brings your photos, videos, games, and more to life. A great value with tons of connectivity options, so you can easily connect to almost any device and enjoy every family photo and epic vacation video like never before.

Expansive entertainment

Take all your content to the next level and never look back. Ultra-wide 178° IPS viewing angles with FHD¹ resolution deliver your content in vibrant detail.

Connect with ease

Whether you need the analog output of VGA, the digital image quality of DVI, or the full experience of digital sound and picture with the HDMI port, easily connect your devices - no adapters needed.

Bold sound

Enjoy your music, video, and movies in great quality with this display's convenient integrated speakers. And without the unnecessary cords of external speakers, your desk is more clutter-free.

¹ Full high-definition (FHD) content is required to view FHD images.

HP 27wm LED Backlit Monitor

Featuring

Bezel-less display

With no bezel encircling the display, an ultra-wide viewing experience provides for seamless multi-monitor set-ups.

Step up to the best

No matter where you stand, an HP IPS monitor delivers clear, vivid images. IPS technology ensures image accuracy and consistency across the ultra-wide viewing spectrum. Enjoy the same wide viewing experience as premium tablets and mobile devices.

Share the panoramic view

Vibrant detail from practically any position with consistent color and image clarity maintained across an ultra-wide 178° horizontal and vertical viewing angles.

Full HD display / 1080p display

Be prepared for brilliant visuals and crisp images with the unforgettable quality of this stunning FHD display.¹

Integrated speakers

No need to buy external speakers for great audio. With integrated speakers this display is ready to go once you're connected.

Environmentally conscious

Energy efficient components such as mercury-free display backlighting, low halogen design, arsenic-free display glass, and recyclable packaging, help achieve a EPEAT Silver rating.³

² High definition (HD) content is required to view high-definition images.

³ Plastic parts incorporated into the chassis generally contain < 1000 ppm (0.1%) of bromine or chlorine. Printed circuit board and substrate laminates generally contain < 1500 ppm (0.15%) of total bromine and chlorine. Service parts after purchase may not be BFR/PVC-free. External accessories, including power supplies, power cords, and peripherals are not BFR/PVC-free. Arsenic and its compounds were not detected using U.S. EPA test methods 3052/6010b by ICP-AES with a Method Detection Limit of 10 ppm. Low-halogen except for adapter and cord. EPEAT® Silver where HP registers consumer display products. See www.epeat.net for registration status in your country.
